CAPE MEMORY CARE
A WOODLANDS SENIOR LIVING COMMUNITY

As you know, this past Wednesday, May 20th, Cape Memory Care conducted universal COVID-19 testing for all residents and all staff.

Cape Memory Care will be re-testing all residents and all staff members, who previously tested negative for COVID-19, **tomorrow, May 27th**, in accordance with CDC guidelines around re-testing of COVID-negative staff and residents in congregate living settings.

We anticipate receiving the results of this re-testing no later than **Friday, May 29th** and will communicate any new information as soon as it is available.
