Dear Families and Friends,

We are writing to update you on the COVID-19 occurrence at Woodlands Memory Care of Farmington.

We conducted our 5<sup>th</sup> round of universal COVID-19 testing of all residents and all staff on Wednesday, January 6<sup>th</sup>. The results of the 129 samples arrived today and we learned that 9 additional residents in Memory Care have tested positive for COVID-19.

All samples taken from Assisted Living residents, Park Residences residents and all staff members on the Woodlands Senior Living of Farmington campus once again came back negative.

The next round of universal testing of all residents and all staff will occur Sunday, January 10<sup>th</sup>.

We are committed to open and timely communication and will keep you informed of the results as soon as soon as they are available.
